

KEEP OUR CITY SIDEWALKS SAFE! **SHOVEL SNOW**

ATTENTION: PROPERTY OWNERS

As we prepare for another winter season, it's time to remind all property owners in the City of Providence of their responsibility to shovel sidewalks adjacent to their property. If you have a fire hydrant, storm drain and/or a pedestrian-access ramp bordering your lot, it is also your responsibility to remove snow around these areas to prevent street flooding and ice build-up.

VIOLATION OF THE SNOW REMOVAL ORDINANCE (SEC. 23-13) COULD
RESULT IN FINES FROM \$25 TO \$300
